Make sure that you have read the section 'What is Magic?'

Decide beforehand how much money that you require. It is important not to ask for more than you need.

You will need;

A bell

Some paper money to put on the sacred space where you are performing your spell.

A green candle and a suitable holder for it

Powdered basil

One teaspoonful of almond oil

Method;

Dress the candle as described in "Candle Magic". Place it in the holder and position it next to the paper money on your sacred space.

Light the candle and say,

*MONEY COME AND MONEY SWELL
HEAR ME WHEN I RING THIS BELL*

(Ring the bell three times)

*WHAT I ASK ISN'T GREEDY
BUT RIGHT NOW I'M REALLY NEEDY!!
ONE TWO THREE, SO MOTE IT BE*

Let the candle burn right down and imagine yourself handling the new money that's coming to you.
