

ANNAS CAULDRON
HIGH PRIESTESS

TO KEEP LOVE IN YOUR RELATIONSHIP

You will need

Two freshly picked bay leaves
A black pen
A piece of red ribbon

Method

Write your name on one bay leaf and your partners name on the other. Lick your lips and kiss both names then place the written sides together and tie them up with the ribbon, saying..

*Love will bind us
I sow the seed
It will be here
As long as we need.*

Put the leaves under your mattress.
