HIGH PRIESTESS

TO CREATE A WISH BOX

You will need

A small box

3 large bay leaves

A piece of parchment paper (or good quality note paper)

A black pen

Method

Write your wish or desire on the paper.

Fold the paper into thirds, putting the bay leaves inside.

Place in the box and say;

*My wish is secret
But my desire is known.
I place it here
So it will have grown
From this moon
When the seed is sown.*

Put the box away in a safe place where it will not be disturbed.
